TRAIN AND AUTO MET

Accident at Pottstown, Pa., Results in Four Deaths.

DRIVER'S VIEW OBSCURED.

Obstacles Prevented Him From Getting Clear View of Track at Grade Crossing—Two of Victims Met Instant Death.

Pottstown, Pa., Oct. 15.—As the result of a grade crossing automobile accident on the Philadelphia & Reading railway at Kelm street here last night, four persons were killed and one probably fatally injured. The automobile which was run down on the crossing by a Pottsville express, contained a party of five persons from Kimberton, Chester county, Pa. The dead are:

JACOB REESE, aged 55 years.
MRS. JACOB REESE, aged 48 years.

MRS. ANTHONY EMERY, JR., aged 42 years.

BEILVA EMERY, aged one year, a child of Mrs. Emery.
Anthony W. Emery, Jr., owner and driver of the automobile, was the only one to escape death, and his thigh was broken and he received internal injuries in the accident.

The party were on their way home from a shopping tour in the city when the accident occurred. The crossing where the automobile was struck is reached after a sharp turn. A hedge and a clump of trees, together with a couple of buildings, partly obscure the crossing until within a short distance of its approach, and it is probable that Mr. Emery did not know a train was due, for he drove the machine directly on the tracks in front of the express.

The automobile was broken into bits and the members of the party were hurled out of the machine. Mr. Reese and Mrs. Emery were killed instantly. Mrs. Reese's neck was broken and she died on the train while being brought into the city. Beilva Emery died from a fractured skull in a hospital a few hours after the accident.

Mrs. Reese and Mrs. Emery were sisters, and by the accident almost an entire family are wiped out.

Dependent Man Kills Self.

Detroit, Mich., Oct. 15.—At 9:30 on Monday morning, Adolph Lange went into the yard at the rear of Adam Westerman's boarding house, 278 Garfield avenue, where he roomed, and shot himself through the head, the bullet entering through one nostril of his nose and passing through the brain. Detroit ambulance was called, as the victim was still alive, and he was rushed to St. Mary's hospital, but breathed his last as he was taken to the operating room. A neighbor says Lange had been out of work and despondent.

MICHIGAN BRIEFS.

Prosecuting Attorney Stewart of Cal. hom county is out with his "hook" again, and this time it is for proprietors of pool and billiards, who even allow boys under 17 years to "hook on."

While waiting for her train at Bay City, Mrs. Michael Kolotaki of Detroit was taken ill and fell to the stone floor. She struck her head and suffer-

ed as light concussion of the brain.

Word has been received from San Francisco by the parents of Henry Wagner at Cadillac that he is ill in a hospital. That the news is hailed with joy does not seem strange when it is explained that the parents believed their boy had been killed in a railroad accident several months ago.

For many days past bills have been posted announcing the fall opening of Miss Cora Bell's millinery store, Saturday, Oct. 12, at Grand Marais. On that day the shades of the store were drawn close and craps was on the door. Miss Bell died the morning of her opening day.

The body of Edward Strole, suicide, at Battle Creek, was taken back to Akron, O., Sunday for interment. It was the third chapter of this character in the life of Henry Strole, the father, who, now totally blind himself, has had two suicide-sons and a murdered daughter brought home for burial.

Romer Florence, 17 years old, lies in Mercy hospital, at Bay City, unconscious from a crushed skull, received while at work in the sugar factory, but no one seems to know just how he was hurt, and his father claims the sugar factory management are very secretive over the affair. It is claimed the boy was repairing broken machinery which was started up before he had time to get out of the way.

Fishermen operating in Lake Superior are loud in their denunciation of a recent act of the legislature reducing the size of the mesh in catching bluefish. It not only means a loss of several thousand dollars' worth of nets of the larger mesh which now are valueless, but the new law is incongruous. It was the purpose of the legislature to eliminate catching of "small trout" and fishermen argue that it is odd policy to use a small-mesh net in order to avoid catching small fish.
